World Bank Prospects Group*

Charles Blitzer

*Assistant Director, International Capitol Markets Department
International Monetary Fund*

The Center for Strategic and International Studies cordially invites you to a discussion session on the implications of an avian influenza pandemic for human wellbeing and global economic and financial systems. Speakers will consider potential scenarios and associated impact on the US and global economies and on market and financial stability, including asset class vulnerabilities, leverage and stock opportunities across sectors and regions. The session is the second in a series of CSIS events considering avian influenza pandemic risk and preparedness challenges for the private sector.

Wednesday June 28th, 2006

10:00 a.m. – 12:00 p.m.

1800 K Street, NW

B-1 Conference Level

Please RSVP (acceptances only) Torrey Shallcross by e-mail NShah@csis.org, calling (202) 775-3181 or faxing this form to (202) 775-3199. RSVP required for admission.
