Figure 2. Growth in U.S. Exports: 1994-2008

Source: Foreign Trade Division, U.S. Census Bureau

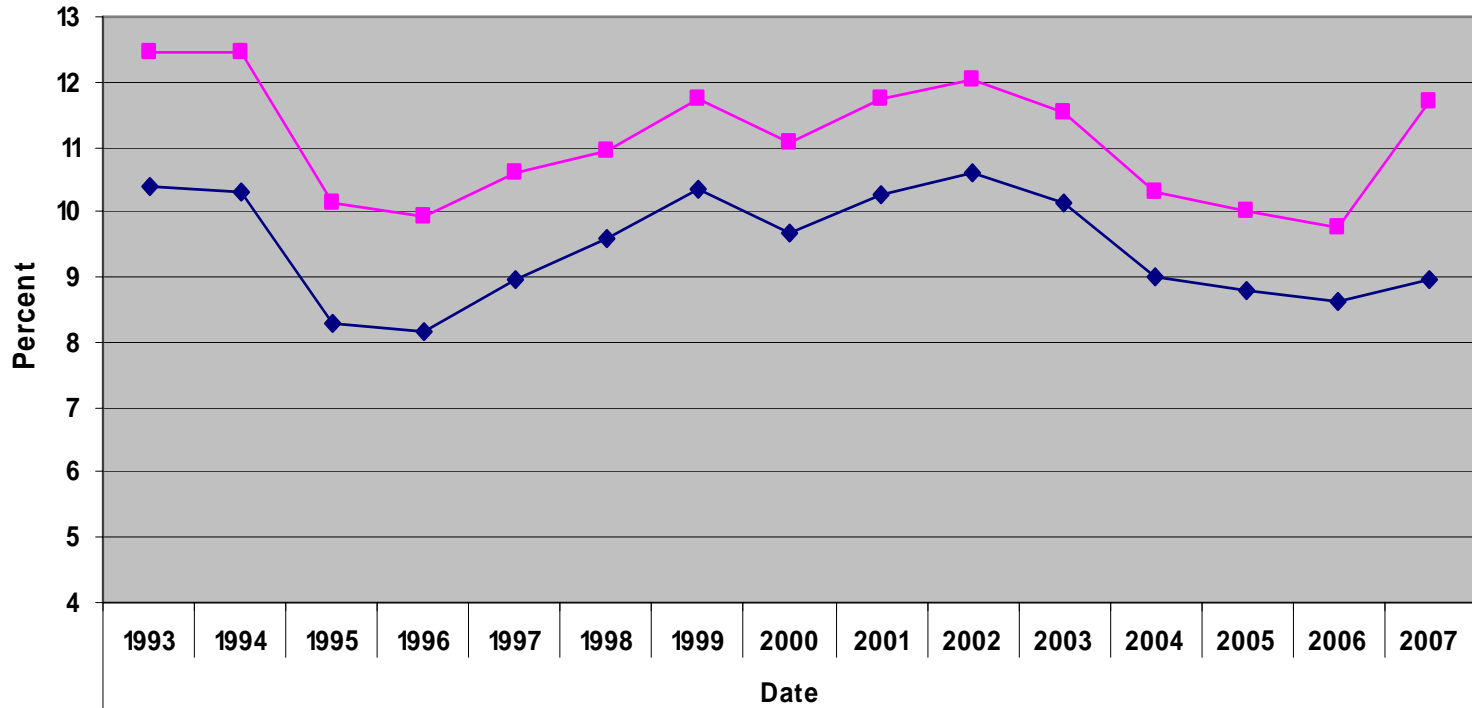

**Figure 3. Foreign Direct Investment in Mexico
1993-2008**

Sources: 1993-1998 World Bank, *World Development Indicators*.

1999-2008 Secretaría de Economía. *Dirección General de Inversión Extranjera*.

Figure 4. Mexican Tax Collection as a Percentage of the GDP

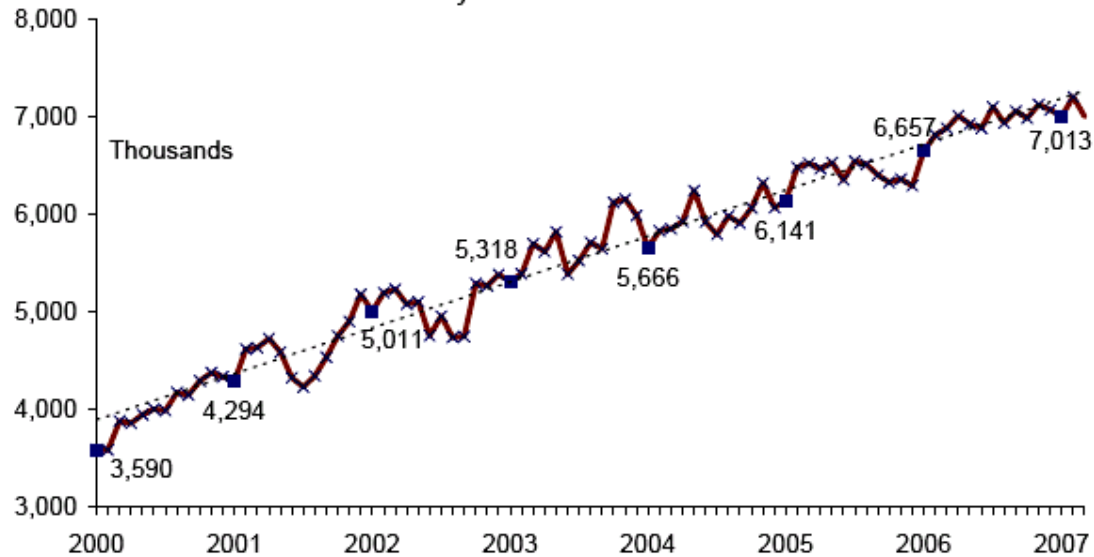

◆ Tax revenue

■ Tax revenue (with social contributions)

Source: Economic Commission for Latin America and the Caribbean (CEPAL)

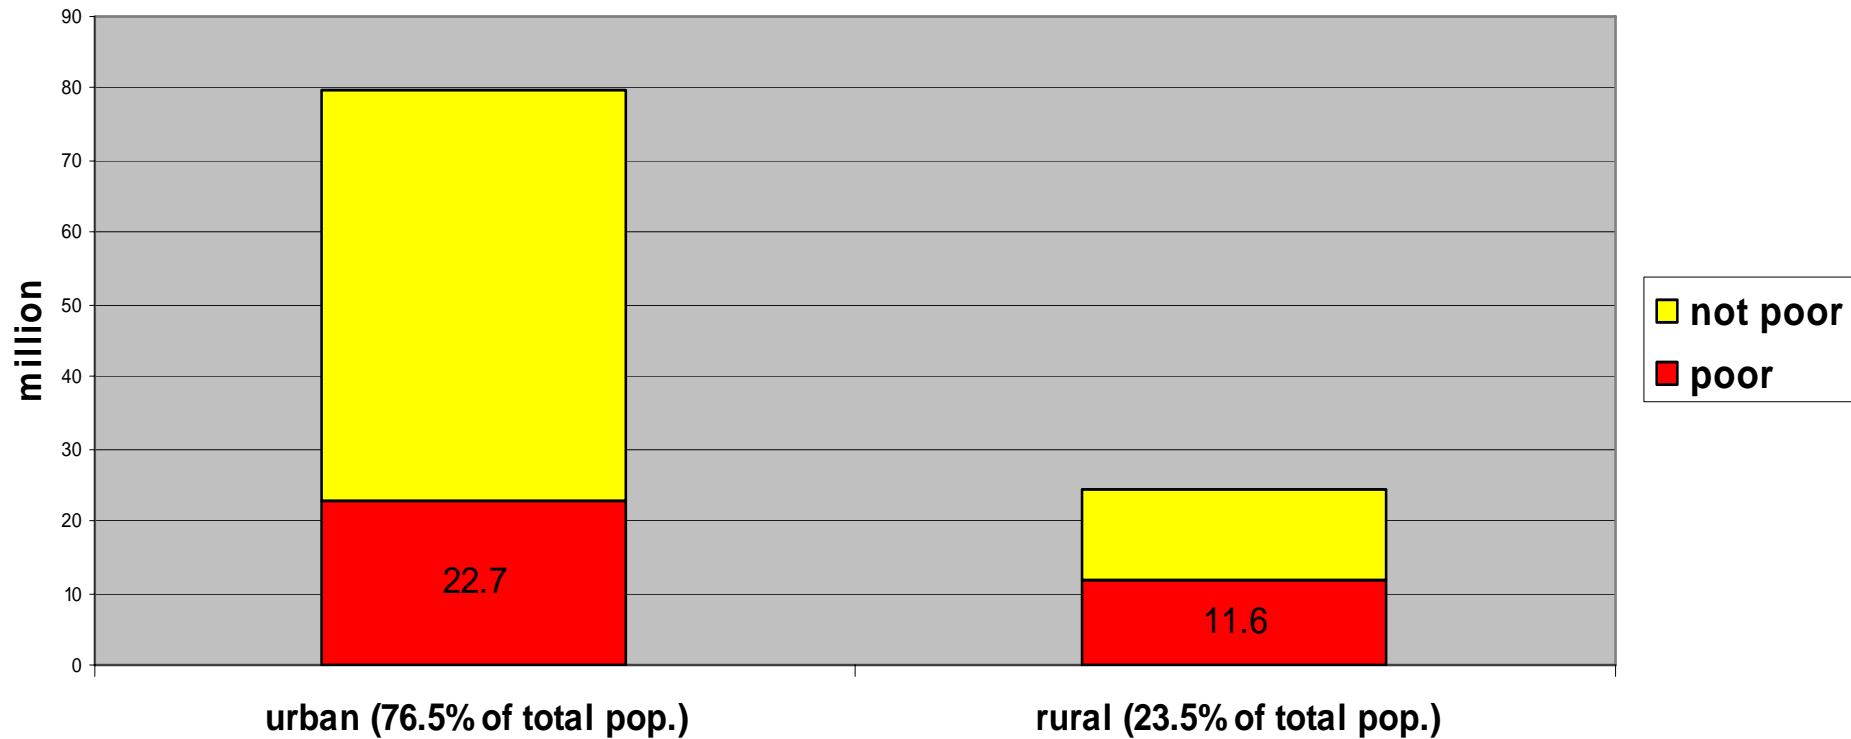

Figure 5. Mexican-Born Population That Entered the U.S. in 1990 or Later
January 2000 - March 2007

Note: Points for January are highlighted each year for reference. Trend line represents a linear regression for the entire period. The slope of the line (39,000) can be interpreted as the average monthly increase in the Mexican-born population that entered the United States in 1990 or later.
